REF. NO. TAF/WEBINARS 2020/ANDHRA PRADESH/VGDCW/2020-21

16TH August 2020

Dr. S Shobha Rani, Principal,
Visakha Govt. Degree College for Women
Vishakhapatnam,
Andhra Pradesh, Bharat [India].

SUBJECT: INTERNATIONAL LEVEL THREE DAY WEB-SEMINAR IN ASSOCIATION WITH VISAKHA GOVT DEGREE COLLEGE FOR WOMEN, VISHAKHAPATNAM, ANDHRA PRADESH, BHARAT [INDIA]

Respected Ma'am,

We thankfully acknowledge the receipt of your letter No Nil dated 16TH August 2020 on the above-mentioned subject.

We, the entire team of Tejasvi Astitva Foundation, are extremely glad to go in for collaboration with your college – Visakha Govt. Degree College for women, Vishakhapatnam, Andhra Pradesh, India for a Three-day International Level Webinar entitled **FUTURE EDUCATION & CAREER: COVID AFTERMATH** in Educational Institutions in Bharat [India] and analyze the same under Global Perspective.

Education in India needs in-depth analysis and a thorough **Research** on the **Methodology adopted in Education and Career building** especially after the COVID-19 has taken the world in its grip due to which the Education and Career Building of students is bound to face tough challenges and hardship day by day and our students at all levels have to face severe consequences of COVID-19 in some or the other

way. Our Education sector is definite to be hit by constraints and hindrances in carrying out education in India which could be achieved in shorter span of time and better results.

I personally feel that this is a very important subject as COVID-19 and its continued spread would have serious impact on not only the Education but also on the quality of education being imparted to the students at school and college level. The Education after the COVID-19 would also have severe impact on the psychological aspects of the students and there could be drastic increase in the satisfaction level leaving both – Students and teachers to dissatisfaction, disappointment, discontentment which leads to frustration, vexation and annoyance of the students which may have dark and disappointing future.

We also need to assess the methodology of education to be adopted and its impact of the Career Building of the students emanating due nearly impossible to maintain the MUST Social Distancing, Use of Masks, and specially the hand washing after every touch – whether on an object or on human, once again giving rise to the **untouchability Era**. This may or may not be able to provide 100% job satisfaction and reduction of unemployment in the country.

Ma'am, we are engaged in Webinars of high Quality to ensure not only Paper Presentation but also a Healthy discussion, interaction and debate for a meaningful Webinar to achieve something that could change our Country and take the Country towards it's **Development in True Sense**.

We, therefore, request your good self to encourage and ensure huge number of registrations and also ensure paper presentation by 100% participants, motivate everyone to take active participation in one to one discussion and debate to achieve

Our Mission: Development of Bharat [India] in True Sense through Value Based Education to Each one Everyone Everywhere in the Entire Nation.

We gladly accept to Collaborate whole heartedly with 100% devotion in the meaningful International Webinar being organized by your College on 05th, 06th & 07th October 2020 entitled **FUTURE EDUCATION & CAREER: COVID AFTERMATH**.

Thanking you for the Collaboration opportunity given by your good self,

Sincerely yours'
