REF. NO. TAF/WEBINARS 2020/ANDHRA PRADESH/M R COLLEGE/

9TH June 2020

Dr. G. A. Kalyani,
Principal,
M R College (A),
Vizianagaram, Andhra Pradesh
Bharat [India].

**SUBJECT: INTERNATIONAL LEVEL TWO DAY WEBINAR IN ASSOCIATION WITH M R COLLEGE
(AUTONOMOUS), VIZIANAGARAM, ANDHRA PRADESH, BHARAT [INDIA]**

Respected Ma'am,

We thankfully acknowledge the receipt of your letter No Nil dated 08th June 2020 on the above-mentioned subject.

We, the entire team of Tejasvi Astitva Foundation, are extremely glad to go in for collaboration with Maharaja's College Vizianagaram for a Two-day International Level Webinar on Research Methodology in Educational Institutions in Bharat [India] and analyze the same under Global Perspective.

Research Methodology in India needs in-depth analysis and a thorough **Research** on the **Methodology adopted in Research Work/Process** due to which the value of research done by several knowledgeable

persons in Bharat [India] seems to be deteriorating day by day and our researchers have to face severe constraints and hindrances in carrying out their research projects which could be achieved in shorter span of time with highest value of research that could have global recognition.

I personally feel that this is a very important subject as research methodology would have serious impact on not only the researchers but also on the quality of education being imparted to the students at school and college level. The research methodology also has severe impact on the psychological aspects of the researcher and effects the satisfaction level leaving the researcher to dissatisfaction, disappointment, discontentment which leads to frustration, vexation and annoyance of the researcher due to the valuable research contributed by the researcher but which gets no recognition and has no value after the great hard work of the researcher.

We also need to assess the methodology of research that is unable to provide 100% job satisfaction and reduction of unemployment in the country.

Ma'am, we are engaged in Webinars of high Quality to ensure not only Paper Presentation but also a Healthy discussion, interaction and debate for a meaningful Webinar to achieve something that could change our Country and take the Country towards it's **Development in True Sense**.

We, therefore, request your good self to encourage and ensure huge number of registrations and also ensure paper presentation by 100% participants, motivate everyone to take active participation in one to one discussion and debate to achieve

Our Mission: Development of Bharat [India] in True Sense through Value Based Education to Each one Everyone Everywhere in the Entire Nation.

We gladly accept to Collaborate whole heartedly with 100% devotion in the meaningful International Webinar being organized by your College on 20th & 21st July 2020 on Research Methodology.

Thanking you for the Collaboration opportunity given by your good self,

Sincerely yours'
